

City of Stewartville Salt/Sand Policy

Salt and sand may be purchased from the city during normal Public Works business hours.

The City of Stewartville reserves the right to discontinue or place a moratorium on purchasing or the taking of such materials at any time.

Annual pricing will be adjusted with the approval of the annual fee schedule.

For 2005 the following prices will be in affect.

- A) Local commercial vendor Salt / Sand = \$ 45.00 per yard
- B) Local commercial vendor Salt / Sand = \$ 1.00 per 5 gallon pail
- C) Resident Salt / Sand = free up to 10 gallons per storm, \$1.00 each per additional 5 gallon pails

No persons or vendors may purchase or receive salt and sand to be used outside the city limits.

The City of Stewartville Public Works crews will sand all schools and bus companies supplying service to the City of Stewartville's school district when deemed necessary for the safety of children, residents and bus drivers as deemed necessary or upon request from each separate entity.

The cost per yard will be \$45.00 per yard applied. Records will be kept at the Public Works Facility and billed out after the end of each season.

Adopted by the Stewartville City Council this 25th day of January, 2005.
