

Stewartville Alert System

During emergency situations, ie snow plowing, water breaks, street closings, etc the City of Stewartville along with Olmsted County Sheriff's Dept has created an alert system. By signing up with this system, you can pick and choose which alerts you receive, and how you want to be notified. We encourage you to use this system during our snow plowing occurrences. This is an extra effort by the City to work with those who don't have off street parking and to help as a reminder for everyone to remove your cars from the street.

Please note that each household can list up to 5 phone #'s and 5 e-mails. We ask that you type or print clearly.

Name: _____

E-mail: (at least one address must be included)

_____	_____
_____	_____

Phone #'s that you would like the information to be sent to:

_____	_____
_____	_____

Please List Cell Phone Carrier (Verizon, Spring, AT&T, T-Mobile, other)

Please indicated which means of notification you would like to utilize or if you prefer all three you may do so. **Remember that this will be used for many different reasons and you will want to choose your notification method appropriately!**
