Classification: Stewartville Men’s League may have three classifications – if enough teams sign up:

- “C” - 3 home run rule & implementing ONE UP Rule
- “D” – 2 home run rules

Teams will be classified either C or D. The change is being made to bring us into alignment with other area leagues and to follow the USA Softball rules.

VERY IMPORTANT: The intent of the team classification system is to place teams in a division in which they are competitive. Therefore, the classification rule listed below will apply to all divisions of play within the program. The teams that fail to comply with the classification rule will forfeit all remaining games and entry fees if discovered during the softball program.

Classification Rule: A team is defined as the number of players required to play a particular sport, not the number of players allowed on a roster. Examples: (1) A team has five players or more that play on a C team in another league; they must play in the C league in Stewartville. (2) A team has five players or more that play on a B team in another league, they CANNOT play in Stewartville as we do not have a B classification. Teams found in violation of the classification rule shall be immediately disqualified from completion.

Bats: A list of approved legal bats can be found at www.teamusa.org

Mats: Mats will be used at home plate. If ball hits the mat or the plate it is a strike, no questions asked.

Cancellations: Managers will receive a phone call for any cancelations.

Rain-outs: If a game has a rain-out it will be rescheduled for a later day.

Playoffs: All teams will be included in a double elimination tournament based upon how they finish during regular season.

Schedules: Rules and schedules are available to each player in their Civic Rec account. Managers can pick up their USA softball packet at their first game with Todd. Softballs can be picked up at City Hall April 24th; hours are 7:00 a.m. to 5:00 p.m. Monday through Thursday, and 7:00 a.m. to 12:00 p.m. on Friday.

Rules: The League will be governed by the USA Softball Rule Book, with certain variations adopted by the city. Example: Any player or manager fighting during a game will be ejected and ineligible for three games/or removed for the season depending on situation.
